The New Jersey Association of County and City Health Officials
in Collaboration with the
New Jersey Department of Health Present:

Zika Conference: Public Health Updates and Resources for New Jersey Communities

Wednesday, May 17, 2017

**The Palace at Somerset Park
333 Davidson Avenue, Somerset, NJ 08873**

This full day learning session will address specific concerns and issues related to Zika Virus in New Jersey. After a morning keynote speaker, participants will have the option of attending three breakout sessions for the remainder of the day.

Breakout Session Topics Include:

Environmental and Mosquito Control
Clinical Monitoring and Surveillance
Risk Communication (Local, State & Healthcare)
Mental Health
Pregnancy and Outcomes

This is a FREE program.

On-Site space will be limited, so register early!
Full registration will be available via NJLMN in mid-April.

NJACCHO is actively working to secure Public Health CE, Certified Health Education Specialist (CHES) and Nursing credits. Full details will be available during the registration process.

Encouraged audiences include:

Health Officers, Health Educators, Public Health Nurses, Registered Environmental Health Specialists, other Public Health Professionals, Health Care Professionals and Mosquito Control Professionals
